

Maintenance Works **Commencing** **April 29 2019 at Maple Way** **Park.**

Due to the ongoing housing development on Birch Close, drainage works are now required to be carried out within the park boundary. This requires the aerial slide to be re-located within the park grounds. The area will be securely and safely fenced off for approximately 2 weeks to enable the contractors to complete both the maintenance works and the re-location of the aerial slide.

IF YOU HAVE ANY CONCERNS REGARDING THE WORKS PLEASE CONTACT EARL SHILTON TOWN COUNCIL ON:

Telephone: 01455 843386 (answerphone on when out of office hours)
